

# Articles of Interest : Quality

V.1 No.1 September 2005

*This is a new Articles of Interest series from Canterbury Medical Library. The series will be issued four times a year provided there are sufficient articles to warrant publication.*

## Quality•Net

Check the Agency for Healthcare Research and Quality (AHRQ) site for a mine of information relating to quality, medical errors, patient safety, patient tips. <http://www.ahrq.gov/>

On the AHRQ site, Morbidity & Mortality Rounds provides patient safety lessons from actual cases. The cases are limited to near misses or those that involve no permanent harm.
